

Introducing Nurse Tech positions at CHI Health.

You're on your way to a great nursing career. At CHI Health we want to help you build your skills along the way.

Nurse Tech Program

- Open to juniors and seniors in a four-year nursing program; seniors in a two-year nursing program.
- Fulfill a CNA role with opportunities to expand skills based on state regulations.
- Higher pay scale recognizes your nursing education.

CHI Health Is Here for You

- »» Be mentored by nurses who are invested in your future.
- »» Develop new and enduring professional relationships.
- »» Foster leadership potential in our evidenced-based program.
- »» Grow personally and professionally
- »» Find the right place within our organization
